

Job Description – Cleaner / Housekeeper

Holiday at Home is a family-run luxury holiday rental company in Yorkshire. We specialise in five-star standard self-catering accommodation and have ambitious plans to expand our collection of cottages, farmhouses, and luxury lodges. The effective marketing of these properties, each carefully chosen for their stunning designs and wonderful surroundings, is a key strategic role in the company.

Purpose of the Role

We are looking for a part time cleaning and housekeeping team member to join us at Brompton Lakes. Brompton Lakes is a collection of 21 luxury holiday lodges located next to the River Swale just outside Richmond.

Although you could be asked to work any day of the week (including weekends), most of our cleaning and housekeeping is carried out on our busy property changeover days of Monday and Friday and as such we would be looking for candidates who are available on these days.

Responsibilities

The role includes the following:

1. All aspects of cleaning required to ensure that the holiday lodges are kept to a 5 star standard both inside and out
2. Making up beds and ensuring furnishings are prepared, cleaned and ready for the guests arrival
3. Highlighting and reporting damages to the Maintenance Team
4. Restocking the properties with toiletries, kitchen stock and ensuring that all crockery, cutlery and kitchen items are cleaned between stays

Ideally candidates will have experience of cleaning and hold a driving licence as some cleaning activity may also be required at some of our offsite properties in and around Richmond.

Job Type: Part-time

Salary: £9.20 per hour
